Attn: Kelly

Re: Subpoena served on 9/21/06

Dear Kelly:

Thank you for your call today. We are trying to work out the details of the deposition with Liberty Mutual, and we will then be able to address the conditions Dr. Lau has set for his compliance with the subpoena. We understand that Dr. Lau requires a set designation of how long the deposition will take, and that his office will then generate a bill which needs to be paid in advance before he will comply with the subpoena. Based on these conditions, we will postpone Dr. Lau's deposition and we will contact you again in the near future regarding a new date and time for his appearance under the subpoena.

Thank you for your assistance.

Very truly yours,
